Social: matches are organized for teams with only a few under 35's, those with small squads and those who want to have a fun game of rugby, but playing seriously. We only allow **maximum 3 under 35 years** to play on the field at any time Squads can have more under 35's but only 3 can be playing at the same time. World Rugby rules apply (variations of rules can be agreed by the teams and ref.).

Following variations shall apply:

- All 8 forwards must remain bound in the scrum until the ball has been cleared.
- The halfback must not follow the ball around the scrum.
- There must be no pressure, scrummaging or movement of the scrum (**i.e. non-contested scrums**).
- There shall be no striking against the head by hookers
- Defending players may kick the ball only in their own 22.

- In lineouts all 8 forwards must take part.
- All lineouts shall be set (no quick lineouts) and without lifting (Social teams are allowed if agreed by captains and ref.)
- Teams scoring a try will restart the game by kicking the ball to the non-scoring team.
- Unlimited substitution of players. Return substitution allowed
- Players must observe the offside rule, particularly that of remaining behind the hindmost foot at rucks, mauls and scrums; lineouts to a minimum of 10 metres.
